

# AccuLine – Change List

Software version 3.2.0

## Changes from the last version

- Application name became “**AccuLine**”.

The user can print with GT-3, GTX-4 and GTX pro B printer using AccuLine.

\*AccuLine, AccuLine for GTX-4 and AccuLine for GT-3 can be installed to same PC. Therefore, If the user does not need AccuLine for GTX-4 or AccuLine for GT-3, uninstall them from Windows Settings.

- Add a printer settings button in main window.
